

The Sharples family ensures our children are resilient learners, healthy and aspirational citizens. We will create a love of lifelong learning that extends beyond the classroom as a result of an enriching curriculum. The school community will make a difference by fostering respect and tolerance of each other as unique individuals.

Congratulations to Mrs Tomlinson who has given birth to a beautiful baby boy weighing 8lbs. We all can't wait to meet Ryder George.

From September 2022, our Teaching Assistant, Mrs Owen will be known as Ms Knight.

Hot Weather

Children to have hats and water bottles in school and sun-cream applied before school. Reasonable adjustments will be made regarding the amount of time spent outside if the weather is very hot. School will follow the local authority recommendations with classrooms ventilated. We have been advised that lunches may differ due to the heat.

Online payment for school dinners will be available from mid-September using the Weduc app. Each child will have their own 'purse' where money can be deposited. Some parents did not take up the original invitation to join and will be sent another to register. We will be offering sessions early in September to help parents with the process. More information to follow.

There will be no Library session next week (Tuesday, 19 July). Please make sure that children return their books to the box in their classroom.

Bolton Library Summer Reading Challenge

Bolton Library are taking part in the National Summer Reading Challenge. This is a good way to ensure your child is still reading regularly. Some of the benefits are:

- It allows children to become more independent in their reading when choosing books and encourages using imagination and empathy to explore a text beyond the page.
- It takes place at your local library and is a brilliant opportunity for extra-curricular activity.
- It keeps children reading over the summer, ready for their return to school in the autumn, and supports the successful transition between year groups and key stages.
