The Sharples family ensures our children are resilient learners, healthy and aspirational citizens. We will create a love of lifelong learning that extends beyond the classroom as a result of an enriching curriculum. The school community will make a difference by fostering respect and tolerance of each other as unique individuals.

Dear Parents/ Carers,

9.9.22

I hope you all have had a wonderful summer and everyone is well. A huge welcome back to all of the children in school! It was fantastic to see all the children return or start school for the first time this week. The start of the new academic year is my favourite period of the school calendar, as the children are really excited to be back and be in a new year group. The children look very smart in their school uniforms – many thanks to you all for reading and taking note of the uniform policy that has been agreed by the school's governing body. Please can I ask that back packs are not brought into school. School has bought children a reading book bag that fit in trays – we have no where to store back packs.

Our new Nursery and Reception classes have settled in to school so well and new friendships can already be seen blossoming. Class teachers and support staff have been working tirelessly to create some wonderful learning environments for your children, both inside and out. The large majority of school has now been re decorated and we are waiting on some new classroom furniture. We are excited that the reception and nursery playground will be transformed later in the year. We still have a couple of spaces in reception class if you have friends/ family interested.

Meet the Teacher

To welcome in the new academic year, we will be hosting a 'Meet the Teacher' event on Tuesday 20th September. Between 3.20-3.45, Miss Hamer will be showing parents how to access the school app and get signed up. This is very important as the app (Weduc) will be used for all communication needs including payments, booking lunches, first aid and booking parents evening appointments to name a few things. After this, you can then visit your child's class and will be given specific information about the learning and routines in that class.

Harvest

We will be supporting the NICE charity this year with our gifts of tinned foods and toiletries. Please can children bring in their donations on 6th October 2022. Year 3 will be delivering a harvest assembly for the Y3 parents on the 7th October at 9.05am.

Lastly, last night we received the news of the passing of Queen Elizabeth II. We would like to extend our condolences to King Charles III and the Royal Family at this time of loss and mourning.

Mrs Partington

Head Teacher
