

The Sharples family ensures our children are resilient learners, healthy and aspirational citizens. We will create a love of lifelong learning that extends beyond the classroom as a result of an enriching curriculum. The school community will make a difference by fostering respect and tolerance of each other as unique individuals.

Well done to all children who have done their SATs recently. You are all **AWESOME!**

Please do not drive up Hugh Lupus Street to drop off or collect your child. There have been a number of incidents just lately and we believe that these have been reported to the local PCSO.

Please try to get all children to school on time along with everything they need for the day. Reception—Year 6 children can be brought to school at 8.40am for an 8.45am start. Morning Nursery sessions begin at 8.30am. Lateness does have an impact on children's learning.

Any money brought into school for the office should be in a named envelope. We have some small envelopes in the office for you to use if you wish.
