Well done to all children who have represented our school at different events, and we are looking forward to participating in many more sporting competitions next year.

School Games Mark Gold Award

We are once again delighted to have achieved the School Games Mark GOLD Award for this year. This is due to our offer of PE, Sport and Physical Activity within school and the extra-curricular clubs and competitions we have attended. Thank you so much to all the children, staff and parents who have supported the competitions we have attended. Also, a huge thanks to our coaching partners Key PE Sports, Bolton Gymnastics and Little Lions for the opportunities that they provide for our children and to the Bolton School Games Organisers who deliver the competitions.
