The Sharples family ensures our children are resilient learners, healthy and aspirational citizens. We will create a love of lifelong learning that extends beyond the classroom as a result of an enriching curriculum. The school community will make a difference by fostering respect and tolerance of each other as unique individuals.

Thank you to all the parents and children who came to our Eid breakfast this morning.

THANK YOU!

A huge thank you to everyone who came to our art exhibition this week. Work has been sent home and if you would like to make a donation, please send it to the school office.

Please encourage your child to be in school on time. Many children are arriving **after the registers have closed at 8.45am** which has a negative impact on their learning time and could result in being **marked late**. Children arriving late will be asked to sign in at the office. Please also ensure that they have everything they need for the whole day. Thank you.
